

Catalogue No. 9 Update

Learning Language Arts Through Literature

This fully integrated Language Arts program teaches reading, grammar, vocabulary, spelling, writing, research, study skills and more. Each level consists of 36 lessons and these are sub-divided into 5 sections to be completed over a week. The focus of each lesson is an excerpt from a piece of great literature while 4 lessons per level are complete book study units. Easy to follow format needing little or no preparation.

The Three R's

Dr. Ruth Beechick's commonsense guidance for teaching Young Children (Grades K – 3). Includes “A Home Start in Reading”, with advise on teaching your child to read and suggestions for teaching spelling, “A Strong Start in Language”, which explains an easy and natural method for teaching writing, and “An Easy Start in Arithmetic”, with teaching ideas, games and activities to help your child to think mathematically.

CSPR202	The Three R's	£8.00

You Can Teach Your Child Successfully

Dr. Ruth Beechick's commonsense guide to teaching grades 4-8. Again there are sections on reading, writing and arithmetic but other subjects are also included. Find out what to do after your child can read, what should be learned in each grade, how to teach music and art without being a musician or artist and much more.

CSPR201	You Can Teach Your Child Successfully	£9.00

The Easy French/Spanish Sample CD

Both French and Spanish are included on this sample CD. For each there is a video explanation of the course, much of the introduction from the coursebook and 5 sample lessons. The purchase price is refunded on return of the CD, whether or not you decide to purchase the full course, making this an ideal way to get a taster before embarking on an expensive language program.

TEYF020	French/Spanish Sample CD	£9.00
